

## SET LIST

At just 12 years old, TRUE is an astonishing vocalist and emerging singer-songwriter already demonstrating artistic maturity far beyond her years. A British national currently based between Singapore and Malaysia, TRUE has performed as both a solo vocalist and musical theatre lead. Her performance résumé includes notable appearances on prestigious stages such as Carnegie Hall (NYC), St. Peter's Church (NYC), Victoria Hall, The Singapore Esplanade, and CHIJMES.

TRUE's voice is silky, emotive, and powerful—drawing influence from iconic vocalists such as Whitney Houston, Celine Dion, and Christina Aguilera. She is equally at home delivering powerhouse ballads such as *I Will Always Love You*, *All By Myself*, and *Bound to You*, or performing softer contemporary pop in the style of Laufey, and Suzanne Vega.

Blending modern pop melodies with elements of R&B, TRUE creates a sound that feels intimate, expressive, and timeless. Her tone and delivery reflect a rare emotional sensitivity, allowing listeners to immediately connect with her authenticity and storytelling.

The set list will be discussed and agreed upon pending type and size of venue and available technical resources .
